LE NOUVEAU INTERNATIONAL PRESENTS:

THE 9TH ANNUAL

MONTREAL SKETCH COMEDY FESTIVAL

MAY 19TH - 25TH, 2014

In 2014, Montreal's Sketchfest promises to be bigger and better than ever! More troupes! More awards! More cash prizes! More parties! For 6 nights in May, Théâtre Ste. Catherine will be filled with the laughter and the laughter-tears that only top-notch sketch comedy can produce. Troupes from absolutely everywhere, performing in French, English or both, are encouraged to apply before the April 1st deadline. On April 15th we will announce what will no doubt be a killer line-up.

With over 10 shows to choose from, a festival pass is the best way to take in all Montreal Sketchfest has to offer. Don't want to wait until April 15th to see who is performing? For those who just want to feed their sketch comedy hunger, passes are on sale right now at the low low price of \$45. They are available at www.theatrestecatherine.com

This year, we have added some benefits for participating troupes including a sweet discount for performers with our accommodation partner, the **Hostelling International - Montréal hostel** and new prizes for the best troupes including **Yelp's Audience Choice Award**, **The Zoofest Award** featuring a spot in the Zoofest line-up, and **Bloody Underrated's Best Local Troupe Award**. Representatives from the programming department at **Just for Laughs** will be there, scouting for some of the best sketch comedy talent there is and offering a cash prize to their favorite troupe. As always we will be offering the classic favorites including **Le Nouveau International's Bag of Beer Award for the best newcomer** and the coveted **Giant Piece of Bark Award** for our favorite troupe. Troupes wishing to participate can download the application form [here](#)

And you know there will be parties. Unforgettable parties that you will tell your grandchildren about. So what are you waiting for? Send us your application or buy your pass maintenant. We'll see you at the fest!
